Inner Carton Quantity	10
Inner Carton Weight	1.5kg
Guarantee	5 year plate guarantee
Barcode	5025117022870
Commodity Code	85369085
Standards	BS 3041-7
Notes	<ul style="list-style-type: none"> • Suitable for use with – VHF/UHF & Cable TV signals • An isolated socket lets the signal through from the aerial/satellite dish but does not allow any kind of return signal/current. The isolated socket blocks interference from receivers (televisions, digital boxes, satellite boxes) which spoils the signal • Each plate features an integral gasket to prevent moisture transferring from the wall to the plate • Screwless plate easily clips on once the product has been installed resulting in a neat and clean finish • Modular and Euro Media products available within the range • Minimum back box size required: 25mm depth
