Notes	<ul style="list-style-type: none"> <li>• Suitable for use with – VHF/UHF &amp; Cable TV signals</li> <li>• An isolated socket lets the signal through from the aerial/satellite dish but does not allow any kind of return signal/current. The isolated socket blocks interference from receivers (televisions, digital boxes, satellite boxes) which spoils the signal</li> <li>• Each plate features an integral gasket to prevent moisture transferring from the wall to the plate</li> <li>• Screwless plate easily clips on once the product has been installed resulting in a neat and clean finish</li> <li>• Modular and Euro Media products available within the range</li> <li>• Minimum back box size required: 25mm depth</li> </ul>
