Barcode	5025117025802
Commodity Code	85369085
Standards	BS 1363-4
Notes	• A Fused Spur or Connection Unit is commonly used for powerful electrical appliances, such as washing machines, dish washers, extractor fans, hand dryers etc, that need to be installed without a plug. They are also used for electrical items that need to be installed on a separate cable from the ring main, for safety and maintenance purposes • Matching metal fuse cover • Modular and Euro Media products available within the range • Each plate features an integral gasket to prevent moisture transferring from the wall to the plate • Screwless plate easily clips on once the product has been installed resulting in a neat and clean finish • Minimum back box size required: 25mm depth
